Coloured dates are good for Shore Study
Hatched dates are unavailable

All programmes can be tailored to suit your group's requirements

Curriculum specific programmes can be designed for:

- 11 - 14 science and geography
- GCSE biology and geography
- GCE level biology and geography (CCEA & AQA).
- Citizenship (environmental and SD aspects)
- All year groups Environmental awareness / skills / discovery

Day programmes can be formatted to provide for knowledge through discovery and game type activities as well as pure academic investigations and of course everything in between.

Areas for study
Rocky shore (tide dependent), sand dunes , salt marsh, pond , forests, mountain , river, urban , soils, glaciation , rocks, agriculture , coastal erosion, sustainable tourism , rural settlements, ...if there's anything else you can think of we will design a program for it.

For booking details please phone the centre and speak to Jody or Creina.

For further programme information please contact Vincent Mc Alinden at the centre phone number or email; vincent.mcalinden@selb.org.
