Circular No: 2007/3

18 January 2007

To: Principals of all Nursery Schools, Principals of all Primary Schools with Nursery Units and Managers of voluntary and private sector providers participating in the Pre-School Education Expansion Programme.

Dear Provider

PRE-SCHOOL ENROLMENT – 2007/08

Notes of Guidance on the procedure for 2007/08 are enclosed along with the stationery which you will require.

I wish to advise you that the Southern Education and Library Board will be introducing a new computerised system for the processing of pre-school applications. Whilst this will not ease the pressure on any pre-school setting in dealing with a large number of 1st preference applications the system will improve the information issued at 2nd and subsequent preferences in that a pre-printed form with the names of the children for consideration will be issued to all providers along with copies of the application forms. Settings will be required to apply their admissions criteria and indicate by ticking whether or not the child is selected. The form will also include space to identify those children who may have been displaced.

Details on the procedure are also contained in:

- a. the Department of Education Circular 2006/10 on Open Enrolment in Nursery Schools: Admission arrangements for September 2007 which was issued in August 2006; or
- b. the Guidance for Voluntary and Private Providers within the Pre-School Education Expansion Programme which was issued on 8 September 2006.

For administration purposes routine enquiries will be dealt with on a geographical basis as follows:

- a. Armagh, Banbridge, Craigavon – Carol (tel 028 3751 2520 or e-mail carol.straghan@selb.org)
- b. Cookstown, Dungannon, Newry and Mourne – Eithne (tel 028 3751 2526 or e-mail eithne.mcardle@selb.org).

I would emphasise the importance of adhering to the procedures attached and documenting decisions taken. Last year over 4600 pre-school applications were processed. 43 intentions to appeal were lodged, 13 of these progressed to appeal, of which two were withdrawn leaving 11 appeals heard, all of which were dismissed. In addition approximately 36 parents queried the decision of private providers not to offer their child a pre-school place.

Yours faithfully

A handwritten signature in blue ink, appearing to read "Mairead Maguire", is written over a faint, larger version of the same signature.

PREFERENCE BASED PRE-SCHOOL
ADMISSIONS PROCEDURE 2007/08

NOTES OF GUIDANCE

A. HANDLING APPLICATIONS

1. Application Forms/Birth Certificates

- 1.1 If a parent delivers the application form please confirm that this is the only application for pre-school education that has been submitted in respect of the child. If a parent indicates that they have already submitted another application form(s) they should be advised that only **one** application is to be completed as per the declaration at the bottom of page two of the form. It is the parent's decision which application remains. A parent is entitled to make a separate application for a reception place in a primary school.
- 1.2 On receipt of an application form by a first preference provider, the check box on the top left hand corner of the front of the application form (PRSE1) should be completed to record the date and time received and initialled by the person who received the form either by hand delivery or by post.
- 1.3 Parents are asked to attach a birth certificate to the application. There is a box on the application form that should be ticked to show that this is the case. In cases where a birth certificate has not been attached please record this on the application form in red ink (no b/c).
- 1.4 Where a birth certificate has been received, the details on the application should be checked to the birth certificate for accuracy and the check box on the top left hand corner of the application form completed. If the name on the application form differs from that on the birth certificate, you should seek clarification from the parent as to which name the child should be known by and a note should be attached to the form. The name recorded should be that shown on the birth certificate. Any discrepancies should be clarified with the parent prior to consideration of applications by the Board of Governors or the Management Committee.
- 1.5 A photocopy of the birth certificate should be attached to the application form and the original either returned to the parent or retained by the pre-school setting if this is acceptable to the parent. Birth certificates should not be forwarded to the Education and Library Board. Playgroups will be required to forward copies of the birth certificate in order to claim funding for pre-school places.
- 1.6 Where no birth certificate is received, providers should request one from the parents, urging them to submit it in advance of consideration of applications. Do not penalise an applicant because a birth certificate is not furnished on time. If a birth certificate is not provided then the centre to which the child is eventually admitted must verify the date of birth. Where a place has been

obtained because false information has been given on the form that place can be removed and awarded to the child who ought to have been admitted.

2. List of Preferences

- 2.1 If a parent delivers the application form, please take a few minutes to check the following details:
- a. that more than one preference has been listed particularly in known areas of over-subscription;
 - b. that either the FT or PT box has an entry for each preference listed; and
 - c. that an official stamp has been obtained if a parent is claiming social disadvantage. If the form is not certified by the Social Security Agency ask the parent to take it back to the Social Security Agency for verification.
The onus is on parents to ensure that the stamped application form is submitted to the first preference setting by 12 noon on Wednesday 24 January 2007.

3. Late Applications

- 3.1 Punctual applications are those received by 12 noon on Wednesday 24 January 2007. Any applications received after 12 noon on 24 January 2007 to 4 April 2007 inclusive should be marked '**late**'. The Department of Education have stated that in considering application pre-school providers should give priority to all children in their final pre-school year. Consequently the following order of priority will apply in considering the allocation of places available:
- a. Punctual applications for children in their final pre-school year;
 - b. Late applications for children in their final pre-school year;
 - c. Punctual applications for children in their penultimate pre-school year (nursery schools only);
 - d. Late applications for children in their penultimate pre-school year (nursery schools only).
- 3.2 The procedure for late applications continues at second and subsequent preference stages.
- 3.3 Applications received after 4 April 2007 should not be processed but are to be held by the receiving provider to be considered only if a place is available after 4 May 2007. If an application form is sent into the Board after 4 April 2007 then it will be sent to the provider to be held for consideration after 4 May 2007.

Providers can only advise on the availability of places after 4 May 2007.

4. Consideration of Applications by the Board of Governors/Management Committee

Pre-school providers should consider all applications for admission in accordance with the timetable issued by the Department of Education in 2006. Applications (at first and subsequent preference stages) should be considered in relation to the criteria published in the Board's Pre-School Information Booklets and the number of children which you can admit.

4.1 First Preference Stage

a. Children Selected for Admission in Accordance with the Criteria

You should retain the application forms of all those children who are **provisionally** being offered a place at this stage and complete **(Form OE/PRSEA1 2007)** giving details of all pre-school children which the setting has provisionally '**selected**'. Insert surname, forename, gender, date of birth, address, postcode and indicate under which criterion each child is being selected. The form should be returned to the Pupil and Parent Unit **no later** than Friday 2 February 2007.

Regardless of whether your setting has allocated all its places or not, parents should not be advised either verbally or in writing at this time that their child has been provisionally offered a place as this may change at second or subsequent preference stages.

b. Children Not Selected for Admission

For those children who are not being offered a place, either because you have already reached your admissions number/number of funded places allocated or because the applicants do not meet your admissions criteria, the application forms and photocopies of birth certificates (along with any other information submitted in support of an application) should be returned to the Pupil and Parent Unit by **Friday 2 February 2007** to be forwarded to the next preference provider.

FORM OE/PRSENA1 2007 should be completed giving details of the children which your setting is unable to select. Insert surname, forename, gender, date of birth, address, and postcode and indicate under which criterion the child has **not** been selected.

Again parents should not be advised either verbally or in writing at this time that their child has not been offered a place as the child may be offered a place by the second or subsequent preference provider.

c. Nursery School/Units with dual pattern of attendance

Settings with full-time and part-time places – Where a parent has nominated the setting at 1st and 2nd preference (eg 1st preference – FT, 2nd preference – PT) and the applicant is not accepted at 1st preference you should retain the application for consideration at second preference stage. Record the name on form OE/PRSENA1 2007 and indicate that the application is **HELD** – This will then be considered with any further 2nd preferences that will be forwarded to you by the Pupil and Parent Unit.

d. Summary Sheet at First Preference Stage

At the end of the first preference stage, you should complete the Summary Sheet at First Preference Stage Form OE/PRSE1 2007. The form should be returned to the Pupil and Parent Unit no later than **Friday 2 February 2007**.

4.2 Second Preference Stage

- a. Board receives the application forms of those children not being selected from first preference settings (by Friday 2 February 2007). You are advised to keep a copy for your own reference.
- b. Board forwards application forms with the pre-printed form OE/PRSEFP 2007 for completion to second preference providers. Where a parent has not listed a second preference, the board will retain the application form in order to advise the parent on 4 May 2007 that their child has not been offered a pre-school place. Please note that unlike primary applications (where a child is of compulsory school age) the board will not be seeking additional preferences for pre-school settings).
- c. Board of Governors/Management Committee reapplies criteria to **all** children. Some children who were provisionally selected for admission at first preference stage may be displaced at this stage. Remember – a second or further preference can displace a provisionally accepted first preference if the application meets a higher statutory criterion or meets the same statutory criterion but meets a higher sub-criterion as determined by the provider.
- d. If a photocopy of a birth certificate is not attached to an application form at second or subsequent preference stages please do not request a birth certificate from the parents as this is an indication that their child has not been offered a place in the settings previously listed on the form.
- e. The pre-printed form - Form OE/PRSEFP 2007 is completed to notify the Board as to which children are selected or not selected for admission at 2nd preference stage (by Friday 16 February 2007). Again, I would emphasise that parents should not be advised whether or not their child is being offered a place.
- f. Where a child in **not selected** the application form(s) should be returned to the Board (as at 4.1 b).
- g. Children provisionally selected at first preference and who are displaced should be recorded on the bottom of Form OE/PRSEFP 2007 and the original application forms returned to the Board.

4.3 Third and subsequent Preference Stages

The procedures are reapplied as in paragraph 4.2. This clearing house continues for all applications received up to and including 4 April 2007 until the child is selected by a provider named on the form or all preferences named have '**not selected**' the child.

4.4 Changes of Preferences

Changes of preferences are only processed by the Pupil and Parent Unit where there are 'exceptional circumstances' eg moving area. In all other cases the parent must withdraw the original application and submit a new application (this would be treated as a late application). **Wednesday 4 April 2007** is the final

date by which change of preferences in exceptional circumstances or new applications will be accepted.

4.5 Adherence to Timescale

The success of the procedure depends on strict adherence to the return dates specified at each preference stage. It is advisable to arrange the dates of Board of Governors/Management Committee meetings now to comply with the timescale. If it is not possible to convene the necessary meetings arrangements should be made to delegate the responsibility for considering applications to ensure that deadlines are met. Where necessary, this delegation should be recorded in the minutes of the Board of Governors or the Management Committee.

B. PRE-SCHOOL STATIONERY

A supply of the following forms is enclosed:

Title	Form Reference

Letter re Unplaced Child (issued by SELB and enclosed for information only)	Dated 4 May 2007 UP
Letter re Unplaced Child (applications received after 4 April 2007)	Dated 4 May 2007

C. EXEMPLAR LETTER(S) FOR NOTIFYING PARENTS THAT THEIR CHILD IS BEING OFFERED A FUNDED PLACE.

1.1 On and **not** before **Friday 4 May 2007** providers will issue letters to parents of children accepted. A sample '**Notification of placement letter**' is attached according to the type of provision offered. No information should be removed from the sample letter, but it may be amended to include details of your localised induction arrangements. Parents **SHOULD NOT** be informed of their children's placement **before 4 May 2007**.

Whilst the right of appeal only exists in relation to nursery schools/units, the paragraph must still be included in letters issued by voluntary or private providers to parents in order that they are aware of their right of appeal if their child was not offered a place by a nursery school or nursery unit that was listed as a higher preference.

- 1.2 The template has been designed to allow you to write in details if you do not have easy access to computers or photocopiers. The template can also be e-mailed on request.
- 1.3 The template includes a return slip for the parent to confirm to the school/playgroup, acceptance of the place offered. Whilst this acceptance is not stipulated in the Department of Education Circular, the return date on the reply (ie Friday 11 May 2007) will allow providers to have confirmation of acceptance of a place. You are advised not to reallocate a place unless written confirmation of non acceptance has been received from parents.
- 1.4 The board will write to the parents of any child who applied for a pre-school place but was **not** selected for admission by **any** provider and whose application was submitted by 4 April 2007.

D. EXEMPLAR LETTERS FOR NOTIFYING PARENTS OF THE OUTCOME OF APPLICATIONS SUBMITTED AFTER 4 APRIL 2007

On and not before Friday 4 May 2007 providers will issue letters to parents of children whose applications were submitted after 4 April 2007 and whose applications are being held for consideration after 4 May 2007. This letter is only to be used by oversubscribed providers where an application is received after 4 April 2007.

The application form and birth certificate should be enclosed with this letter which advises the parent to contact the Board for information on pre-school settings that still have vacant places. A copy of the form should be taken so that it can be considered in the event of future vacancies. Parents who submit an application after 4 April 2007 have been advised in the pre-school booklet to contact the provider after 4 May 2007 to determine if a place exists as the clearing house system does not operate after this date.

If you are undersubscribed at 4 May 2007 this letter is not applicable as the late applicant can be offered a place and advised of such by using the relevant placed letter which should be issued with all other placement letters on 4 May 2007.

E. NOTIFICATION OF ADMISSION OF CHILDREN TO RECEPTION CLASSES

In those areas where reception classes are still available in primary schools parents have a right to make application on behalf of their children to both reception and nursery classes. If both applications are successful it is for the parent to decide which place to accept. This year the date for notifying parents of the outcome of applications for reception places is 30 March 2007.

F. RECORDS OF PROCEEDINGS

Parents dissatisfied with the decision of a Board of Governors in the selection of children have the right to appeal to an independent tribunal, therefore it is essential that Governors keep a detailed record of proceedings regarding the selection of children for admission (it is useful to keep a copy of unsuccessful application forms). There remains no right of appeal against voluntary/private providers. Parents who have been unsuccessful in obtaining a playgroup or private day nursery place for their child will be advised to contact the provider to discuss the reason for this.

G. CONTACTS

For administration purposes routine enquiries will be dealt with on a geographical basis as follows:

- a. Armagh, Banbridge, Craigavon – Carol (tel 028 3751 2520 or email carol.straghan@selb.org).
- b. Cookstown, Dungannon, Newry and Mourne – Eithne (tel 028 3751 2526 or email eithne.mcardle@selb.org).

Dear Parent/Guardian

Pre-School Education Expansion Programme - September 2007

Further to your application for a free place under the Pre-School Education Expansion Programme I wish to inform you that your child is being offered a full-time place in _____.

If you had nominated either a nursery school or a nursery unit on your child’s application form in preference to this setting, there is provision for appeal against the decision(s) of the Board(s) of Governors of the school(s) in not selecting your child. An appeal may only be made on the grounds that the Board of Governors did not apply or did not correctly apply its criteria for selecting pupils for admission to the school(s), in deciding not to admit your child. You may wish to contact the nursery school or nursery unit which has not selected your child for admission to discuss the reason why he/she was not offered a place to assist you in deciding whether to appeal the decision.

If you still wish to appeal you must write to:
The Clerk of the Appeal Tribunal (Nursery),
Southern Education and Library Board,
3 Charlemont Place,
The Mall,
ARMAGH BT61 9AX.

Your intention to appeal must be received in writing by **4.00 pm on Wednesday 16 May 2007**. Please give your child’s name, address, date of birth and name of nursery school/unit you wish to appeal against. Details of the appeals procedure will be sent to you by return. However if you do not receive an official appeal form within 7 working days please contact the Pupil and Parent Unit at the Southern Education and Library Board (028 3751 2526/2520).

An Appeals Tribunal cannot uphold an appeal on any grounds other than those related to a school’s admissions criteria.

There is no right of appeal against a decision by a voluntary or private provider not to admit your child. Parents who have been unsuccessful in obtaining a playgroup or private day nursery place for their child should contact the provider to discuss the reason for this.

Dear Parent/Guardian

Application to Pre-School Education - September 2007

I write to advise you that your preferred pre-school provider(s) has/have been unable to select your child for admission for a funded place for the 2007/2008 school year.

Each of the providers listed on your child's application form received more applications for funded places than their admissions number and consequently had to apply their admissions criteria to select children.

If you had nominated either a nursery school or a nursery unit on your child's application form there is provision for appeal against the decision(s) of the Board(s) of Governors of the school(s) in not selecting your child. An appeal may only be made on the grounds that the Board of Governors did not apply or did not correctly apply its criteria for selecting pupils for admission to the school(s), in deciding not to admit your child. You may wish to contact the nursery school or nursery unit which has not selected your child for admission to discuss the reason why he/she was not offered a place to assist you in deciding whether to appeal the decision.

If you still wish to appeal you must write to The Clerk of the Appeal Tribunal (Nursery), Southern Education and Library Board, 3 Charlemont Place, The Mall, ARMAGH, BT61 9AX.

Your intention to appeal must be received in writing by **4.00 pm on Wednesday 16 May 2007**. Please give your child's name, address, date of birth and name of nursery school/unit you wish to appeal against. If you do not receive an official appeal form within 7 working days please contact the Pupil and Parent Unit, Southern Education and Library Board, 3 Charlemont Place, The Mall, ARMAGH, BT61 9AX (028 3751 2526 or 028 3751 2520).

An Appeals Tribunal cannot uphold an appeal on any grounds other than those related to a school's admissions criteria. **It should be noted there is no right of appeal where a parent has indicated that they would prefer a morning part-time place but an afternoon place has been offered (or vice versa). There is also no right of appeal against a decision by a voluntary or private provider (playgroup) not to admit your child. Parents who have been unsuccessful in obtaining a playgroup or private day nursery place for their child should contact the provider to discuss the reason for this.**

A list of pre-school providers who, according to our records, may still have funded places is enclosed for your information. If you want to have your child considered for one of these places, please contact the provider where funded places remain. Your original application form and birth certificate (where applicable) is enclosed to give to the provider where funded places remain. If you wish you may also contact any private or voluntary provider of your choice directly with regard to a fee-paying place for your child.
