

EXPOSED

CLIMATE CHANGE IN BRITAIN'S BACKYARD

A stunning and thought-provoking exhibition of photographs from the National Trust.

Discover the impacts of climate change close to home, how the National Trust is responding, and some practical steps we can all take to reduce our carbon footprint.

FREE EXHIBITION

7 January - 29 February 2008
Waterfront Hall, Belfast

EXPOSED

CLIMATE CHANGE IN BRITAIN'S BACKYARD

The UK's top photographers spent the last year capturing the way climate change is touching every aspect of life on our island, often in surprising ways. Spectacular images of the National Trust's gardens, historic houses, countryside and coastline, coupled with stories from the people who care for them, reveal the impact of climate change in Britain's backyard.

WATERFRONT HALL
2 Lanyon Place, Belfast

Open daily

Closed Sundays and Bank Holidays,
except for performance days.
