

Astronomy Event in Armagh Planetarium

Year of Astronomy

SELB are hosting a session in the Armagh Planetarium in association with the Irish Astronomical Association (IAA) to discuss and develop ideas about astronomy. The session will be an opportunity to consider ideas about the teaching of astronomy in schools.

One school (Post Primary) will make a presentation showing how they have developed astronomy in their school. This session is open to both Primary and Post Primary Teachers.

Venue and date: Armagh Planetarium on Monday 30th November from 3:00 – 4:15 pm.

If you wish to attend, please email elizabeth.mckearney@selb.org stating the following:

that you have your Principal's permission to attend,
name of person attending and
your full school name.

Thank you.

Yours sincerely,

Joan Shine
SELB Adviser for Science.
