

PRIMARY SCIENCE & TECHNOLOGY CHALLENGE 2009 HEATS - DESIGN SHEET

Important Factors (Write a brief note)

- **Structure** - What will your model look like?
- **Materials** - Which materials will you use?
- **Tools** - Which tools will you use to build your model?
- **Safety** - How will you keep yourselves and others safe?

Side View

Plan View (Bird's eye view)

Remember: Good design means using only the materials you need - try not to waste materials.
